New office to be built in Willmar

The credit union's Willmar branch in Cub Foods was opened in 2004. As our membership has continued to grow in that community over the years, we have outgrown our space in Cub Foods.

This past summer the credit union purchased a lot east of the Aldi grocery store in Willmar with plans to construct a new branch. On September 17th, a groundbreaking ceremony was held at the new location. The new branch office will be approximately 4400 square feet and will include a two lane drive up and an ATM.

HTG Architects out of Minneapolis is our architect for the project and we have worked together to come up with a design that will be convenient and functional for the members. TerWisscha Construction of Willmar was selected as the general contractor for the project and they will be utilizing local subcontractors. Look for more updates on the building progress in future newsletters!

Monday, October 8, 2018 is set for CU Forward Day. Co-op Credit Union is hosting a Shred Day at each branch location and will be collecting donations for the food shelf.
We are asking members to donate a nonperishable food item or monetary donation for the Food Shelf when they bring in their items to the Shred truck. Your donations to the Food Shelf will stay local!
West Central Shredding will be on site in Benson, Montevideo and Canby and will have shred bins available in the lobby in Willmar.
Learn more about CU Forward Day and how credit unions across Minnesota are spreading kindness at our website www.co-opcreditunion.com.

What GAP Plus Coverage is and why you need it

Guaranteed Asset Protection (GAP) Plus with Deductible Assistance can help fill the gap between what your vehicle insurance will pay and what you owe on your loan. As vehicles typically depreciate faster than borrowers pay down their loans, GAP coverage covers the difference between the actual cash value of a vehicle and the balance owed on your loan. In the unfortunate event of an accident, if your vehicle would be considered a total loss by your insurance company, GAP coverage would cover the difference of what you owe and the actual cash value. Without GAP coverage you would have to pay the difference out of pocket. This can be thousands of dollars. GAP Plus can help lighten the financial burden for you and the people you care about. Get GAP Plus today so you can worry less about tomorrow.

To learn more or to enroll in GAP Plus with deductible assistance call your credit union today!

Co-op Credit Union GAP Plus includes:

- Additional $1,000 if you finance a replacement vehicle with Co-op Credit Union within 90 days of the date of loss
- Deductible assistance cancels part of your debt when a comprehensive or collision claim is paid through your primary auto insurance and a deductible is incurred
- Actual loss must result in a paid claim that exceeds the deductible amount on your primary auto insurance policy
- Primary auto insurance policy must be in force at the time of the loss
- Allows up to 2 non-totaled occurrences protected per 12 month period
- Peace of mind that you and your credit are protected in case of a total loss to your vehicle

ICU DAY EST. 1948

International Credit Union Day October 18, 2018

International Credit Union (ICU) Day® celebrates the spirit of the global credit union movement. The day is recognized to reflect upon the credit union movement's history, promote its achievements, recognize the hard work and share member experiences. ICU Day® has been celebrated on the third Thursday of October since 1948.
