# BEAR CENTS

## Holiday Wishes

from the Co-op Credit Union

The Co-op Credit Union is buzzing with excitement as we look forward to the holiday season! As you plan for fun events, shopping, and traveling to see family and friends, we wanted to take a moment to encourage our Cub Account members to remember to:

### SAVE, SHARE, SPEND, EARN.

Many children may receive gifts of money and with that comes an opportunity to teach this money management concept.

**SAVE** a portion in your **CUB ACCOUNT** at the Co-op Credit Union

**SHARE** a portion with a local charity or others in need

**SPEND** a portion on something that you have been saving up for

**EARN** Visit with family and friends about ways that you can earn new money in the new year!

Thank you for being a **CUB ACCOUNT** member!  
Happy Holidays from all of us at Co-op Credit Union!
