Celebrate Credit Union Youth Month

The Future is Yours\$

➤ Picture it! ♥ Save for it! + Share it! ➤

Dreaming of our ideal future delights and inspires us. Children, with their imaginations, are particularly good at dreaming. But to make dreams come true, you need to have clear goals and, very likely, save some money to make them happen. Credit unions can help their members on both counts.

Our theme for Youth Month this April, is "The Future is Yours: Picture it! Save for it! Share it!" We're encouraging all members,

particularly our youngest, to write down their dreams, create vision boards, and encourage each other. These activities will help lay the groundwork for their future success.

Young members who begin a habit of envisioning and recording their goals are more likely to achieve future goals as adults. This year's Youth Month theme will give members the encouragement they need to start this habit.

Willmar Office is Taking Shape!

Progress continues to be made on our new office in Willmar and the structure of the building is taking shape. The main entrance of the building will be on the southwest corner facing the stoplights. The east side will be two drive up lanes with a drive up atm. We are anticipating completion by this summer.

Please visit our website for more pictures and updates as we get closer to an opening date.
