## The Future is Yours\$

Dreaming of our ideal future delights and inspires us. Children, with their imaginations, are particularly good at dreaming. To make dreams come true, you must have clear goals and save money to make them happen. Credit unions can help you save!

Our theme for Youth Month is *"The Future is Yours: Picture it! Save for it! Share it!"* We're encouraging all members, particularly our youngest, to write down their dreams, create vision boards, and encourage each other. These activities will help lay the groundwork for their future success.

Young members who begin a habit of envisioning and recording their goals are more likely to achieve future goals as adults. This year's Youth Month theme will give members the encouragement they need to start this habit.

During April, **CUB ACCOUNT** members are encouraged to visit one of our branch locations to make a deposit and play PLINKO to win a prize!
